

### **Mini-Pro Wall Pads Installation Instructions:**

Thank you for purchasing the Mini-Pro Wall Pad by JustInTymeSports. Please verify the following contents:

- (1) 24" x 48" Wall Pad
- (4) Mounting brackets
- (8) #10 x 1/2" Bracket Screws
- (4) Wall Anchors
- (4) 1-1/2" Mounting Screws
- (4) Washers

The wall pads are designed to mount easily to any flat surface including drywall.

#### **Assemble Brackets**

Attach the (4) brackets with the #10 bracket screws. The holes are pre-punched in the vinyl for these screws.

#### **Locate Pad(s) on Wall**

- Locate the pad(s) on the wall and mark the hole locations for each bracket with a pencil. Make sure the pad is level prior to marking the holes.
- Drill 1/4" holes for the wall anchors.
- Press the wall anchors into the hole and seat firmly.

#### **Attach to Wall**

Attach the pads to the wall using the (4) mounting screws.
